**EXAMINATION CHEATING – DISCUSSION WITH BARBARA SHOWERS,
PH.D., OFFICE OF EXAMINATIONS**

Dr. Barbara Showers discussed the compromised national examination at four colleges. The National Board of Podiatric Medical Examiners refused to validate scores last summer because of concerns about cheating. It seems that students traded examination materials by e-mail while others had access to a study guide containing very similar questions to those on the licensing test. Dr. Showers will attempt to find out if the four colleges in question had higher scores than in other parts of the country and if any of the students involved have applied for Wisconsin licensure.

Legal Counsel, Wayne Austin, will communicate the Board's request to Mr. Renard by letter.
